New
Iced Tea!

PROFIT

Iced Tea is the fastest growing beverage segment in Restaurants. A restaurant selling 40 glasses of Tei each day for \$1.75 will generate \$25,000 per year in profit

CONVENIENCE

Enjoy the ease of dispensed beverages, including no prep time, no on-location brewing, no clean-up, and no waste. The Tei dispenser is sanitary, requires no labor and eliminates spoilage.

TASTE QUALITY

Created by tea purists from a blend of the finest Black, Green, and White teas, Tei is a premium refreshment. Tei is made with real sugar and a variety of subtle flavors that contribute to the tea notes without masking the complex taste of the tea itself.

HEALTH

Tei contains about half the sugar and calories of traditional soft drinks, and contains anti-oxidants.
